

Things to do During Your Stay on the Island of Mull

Bunessan

Sea and loch fishing are good locally. For the lochs get a permit at the local shop.

Cycles hire in Fionnphort, six miles away. Two very good, quiet **beaches** are within two miles of the caravan.

Wildlife watching is popular on Mull, including birds, otters, eagles (sea & golden). If you sail to Staffa or Lunga <http://www.staffatrips.co.uk/> for the day, the puffins are there from April to July.

The Island of Iona is only a short ferry hop from Fionnphort and has a stunning Abbey and a beauty all of its own.

At the North of the Island, little ones may recognise **'Balamory'** (Tobermory) from TV. www.bbc.co.uk/cbeebies/balamory/

A **round trip of Mull** is about 120 miles with beautiful, rugged, scenery up the West coast.

Two nearby islands have **famous connections** and can be visited; Erraid (R

L Stevenston) <http://erraid.com/> and Ulva (David Livingstone) www.isleofulva.com

Duart Castle is worth a visit and, for those with a sweet tooth and no weight problems, there's a **chocolate shop** on the main street of Tobermory!

About The Caravan

Location The caravan is sited behind Mull Baptist Church in Bunessan.

On coming through the village of Bunessan, turn left at the Argyll Arms Hotel and about one hundred yards up the hill turn left up the track, just prior to the little bridge. The caravan will be open for your arrival. Make yourselves at home!

Facilities All bed linen, towels, crockery, cutlery, cooking utensils and cleaning equipment and materials are provided. There is also an iron and ironing board.

A television with Sky free-sat is also provided.

Hot water, heating and cooking is by propane gas (bottle provided) and the van is on mains electricity.

The caravan has a double and a twin bedroom and, by using the fold out bed in the sitting room, sleeps a total of six people.

There is a gas fire in the sitting room and additional heaters are in the other rooms.

The caravan has an electric shower, and a toilet with wash hand basin. It also has a fully equipped kitchen, including cooker, fridge, electric kettle, toaster and microwave.

Additional Facilities These are housed in the church building itself but are available for your use: these are a fridge and freezer and a combined washer dryer.

Provisions Available on your arrival will be the basics, including tea, coffee, sugar, salt and pepper, toilet and kitchen rolls, cooking oil and a small milk in the fridge.

Arrival and Departure Entry to the caravan is from 2pm on a Friday and exit is by 11am the following Friday. This avoids the additional cost during the holiday season on the very busy Saturday ferries and the general self-catering change-over day on the Island.

Additional Information

Please note that the use of the caravan is confined to ministers or lay preachers and their families. It is expected that those using the caravan will conduct and preach at the 11am Sunday Service in Mull Baptist Church.

Travel We advise that if you intend to travel via Oban with a car, you should book your crossing in advance either at www.calmac.co.uk or by telephoning the **booking office on 08705 650000**.

An alternative is to take the lovely drive through Glencoe. Eight miles before Fort William cross the Corran Ferry and follow the signs for Lochaline (45mins drive). Take the short ferry crossing to Fishnish on the Isle of Mull. No booking is required: just drive on, pay, and drive off 15 mins later.

This route adds 36 miles to the journey, if you are coming from the South, but can be as quick as via Oban, due to the shorter crossing and not having to book in 30 Mins before sailing. It is also cheaper.

Local Doctor You can see the Surgery out of the caravan window! Consulting is on Monday to Friday mornings with no appointment required, just go across and you will be seen.

For emergencies 24/7 a doctor is always on call. Surgery Telephone is : 01681700261

Shopping There is only one shop in the village but it sells virtually everything in the food line. However a good idea is to shop at Tesco, Co-op, Aldi, Lidl etc in Oban prior to catching the ferry. Don't forget to check this leaflet for the basics

Out of the caravan's sitting room window is a view "to die for" - come and see it for yourself!

that are available in the caravan though.

Eating Out There are three eating places locally, two of which are family friendly - the third is more suited to a couple looking for something special and prepared to pay that bit more.

Should you feel it appropriate, having taken advantage of a week of rest and recuperation, a donation to cover cleaning, laundry, gas, electricity and maintenance of the caravan would be much appreciated. (Suggested amount is £70 for two occupants and, for each additional person, an extra £20 pw would be appreciated (cheques being made payable to Mull Baptist Church).
