

Prayer for Brexit Turmoil

Father God, at this time of uncertainty and turmoil in our nation, we pray that in your sovereignty and grace, you would guide our nation through the challenging waters of Brexit. No matter how we voted, we pray for the leaders of our nation, for the British government and the EU leaders as they seek to find a way forward. We pray for the best outcome for our nation.

Father in your mercy, we pray that you will hear the cry of our hearts for our nation at this time of uncertainty. We pray against isolationism, fear, division and distraction. We pray instead that there would be a spirit of unity and cooperation, a focus on resolution and a resolve to find the right path to take.

Father, through the power of your Holy Spirit, we pray that your truth would shine forth into the darkness in our nation at this time. We pray that many would come to know you as Lord and Saviour in their lives even in the midst of such uncertainty. May we be fearless for you Lord, in a nation that is full of fear at this time. May we know that in these uncertain times you are our living hope, our certainty and the Rock in whom we trust.

We pray this in and through the mighty name of Jesus,

Amen.
